Our dog trainer, Renee Premaza, is making herself available to you **FREE** to answer all of your questions about what makes your dog do the things he does. During this 1 ½ hour event, she will explain why our dogs seem to misbehave no matter how much we try to correct them. You will discover some very important aspects about your dog that will surprise you. Did you know that dogs have many ways of communicating to other dogs and to us? Renee will help you gain a better understanding of dog body language and what it means. Did you know that a wagging tail does not indicate that a dog is happy?

Have you been wondering?

- Why does my dog jump up people?
- Why does my dog steal my socks and underwear, the remote and my cell phone?
- Why does my puppy pee and poop in the house right after he’s been outside?
- Why does my dog dig holes in the backyard, even when we tell him “NO!”
- Why does my dog ignore me when I tell him to come?
- Why does my dog listen to my spouse better than he listens to me?
- Why does my dog jump up on our kitchen counters and steal food all the time?
- Why oh why does my dog eat poop?
