It is vitally important that puppies be well-socialized with people and other dogs by the time they are 12-14 weeks old. We are happy to offer this new service to you **free-of-charge** in the hopes that we can help all puppies reach their full potential and help alleviate any fears in the early development stages.

The 1-1/2 hour Play-Session Features:

- Puppies romping and playing together while being very closely supervised by Renee Premaza, The Jersey Dog Trainer; Dr. Marc Rosenberg, DVM of County Line Veterinary Hospital in Marlton, NJ; Scott Russell, owner of Dog Days; and Millie Santarpio of Jack & Emily's Grooming in Voorhees, NJ.
- Playtime will be interrupted for very short breaks so that puppies can rest and not be over stimulated. During these breaks, we will address the group on various topics (i.e., nutrition, vet care, housetraining, grooming) to help you better care for your puppy.
- All participants will receive a Free Puppy Starter Kit, which includes a **FREE** 5lb Bag of Nutro Pet food, dog treats, and biscuits.

Registration Required:

- Prior to bringing your puppy for the class -- you must first register by contacting Renee Premaza at (609) 280-9338 or Scott Russell at (856) 985-7086 by November 10, 2010.
- All puppies must be 8-16 weeks old.
- All participants must provide documentation that their puppy is up-to-date on vaccines.
- All puppies must be in good health.
